Full Membership

This is the membership for those who wants to be active member of our club and with this membership you are welcome to all our activities. We also register you to the Swedish Chess Federation and therefore you are allowed to play in all registered tournaments in Sweden and abroad.

The fee is **600 SEK** for 2 consecutive semesters or **400 SEK** for just one semester.

To enter some tournaments (most with price-money) and attend special activities there might be additional fees.

Also...

All members also needs to be member of **any** of the student unions active in Umeå as we are an academic club under Umeå Studentkår (US), but a membership in "Umeå Naturvetar- och Teknologkår" (NTK), "Skoghögskolans Studentkår" (SHS) or "Umeås Medicinska Studentkår" (UMS) is also valid.

As a student with at least 8 credits of study each semester a membership in any of these will give you all kinds of discounts and advantages worth a lot. Here are a few examples:

- Travel much cheaper by a number of trains, flights and buses
- Cheaper membership at IKSU and other fitness centers
- Discounts at many local stores and restaurants
- Free shipping and cheaper prices from a lot of on-line shops

We sell **membership to Umeå Studentkår** for the price of **230 SEK** for one semester or **400 SEK** for two consecutive semesters when study here at Campus if you not already are member in one of the unions mention above.

For those who are not active students here we also sell a **support membership** to Umeå Studentkår for **100 SEK** per semester. This will not entitle you to the regular discounts, but might give you advantages at the local student-activities.

By buying your regular student- or supportive membership in Umeå Studentkår through us you will also support Akademiska Schacksällskapet Umeå by the kickback we receive for everything that we sell!

You can pay this fee directly into our Swedish BankGiro Bg **547-8748** with **your name** and **what kind of membership you are interested in** as message. i.e. "John Doe, Full Membership + StudentUnion, Spring 2015".

You can also contact me, the Treasurer of the club (lennart@akademiskaschacksallskapet.se) and pay directly to me with cash by appointment as I'm only occasionally at the club.

To keep track of our members and to be able to register you properly we also would like you to fill in a form we prepared to get some information about your birth-date, address and contact information (e-mail/phone) as well as your previous chess clubs/experience and something about what kind of activities you want to see more of.
(ask for these forms at the club)

Do not hesitate to ask us any questions you might have about the different membership we offer or anything else regarding the club, and I hope to see you soon as a Member here!

Regards, Lennart (Treasurer ASSU)
